Forward Looking Statements

This presentation may contain forward-looking statements that involve assumptions, risks and uncertainties. Statements in this presentation that are not historical facts are statements of future expectations with respect to the financial conditions, results of operations and businesses, and related plans and objectives. These forward-looking statements are based on SGX's current intentions, plans, expectations, assumptions and views about future events and are subject to risks, uncertainties and other factors, many of which are outside SGX's control. Because actual results, performance or events could differ materially from SGX's current intentions, plans, expectations, views and assumptions about the future, such forward-looking statements are not, and should not be construed as a representation as to future performance of SGX. It should be noted that the actual performance of SGX may vary significantly from such statements.

This presentation is being made available to certain authorised recipients for their general information only.

While SGX and its affiliates have taken reasonable care to ensure the accuracy and completeness of the information provided in this presentation, they will not be liable for any loss or damage of any kind (whether direct, indirect or consequential losses or other economic loss of any kind) suffered due to any omission, error, inaccuracy, incompleteness, or otherwise, any reliance on such information. Neither SGX nor any of its affiliates shall be liable for the content of information provided by or quoted from third parties. Examples provided are for illustrative purposes only. The information in this presentation is subject to change without notice.

Any recirculation, transmission or distribution of this presentation or any part thereof by any third party requires the prior written permission of SGX. SGX and its affiliates disclaim all responsibility and liability arising in connection with any unauthorised recirculation, transmission or distribution of this presentation or any part thereof.

Questions and Answers

FY2022

Financial Highlights and Performance

Ng Yao Loong, Chief Financial Officer

FY2022 Highlights

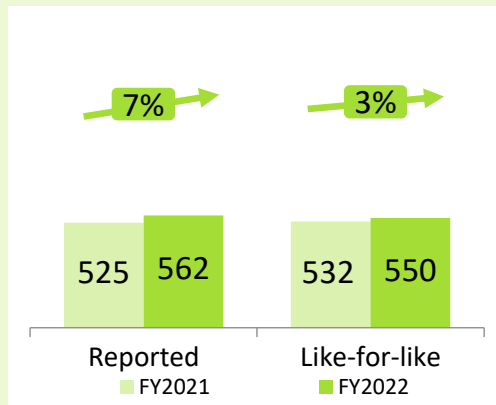

Highest revenue since listing with strong underlying growth

Group Revenue

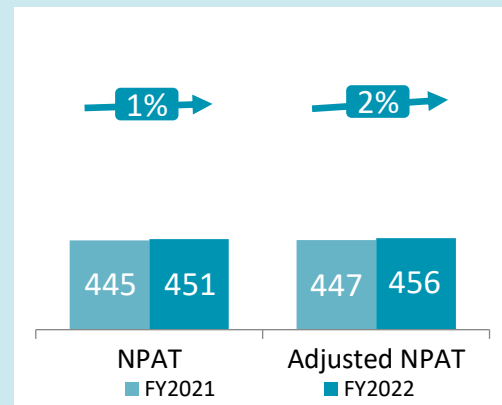

- ✓ Excluding Treasury Income¹ (TI), revenue up 7% year-on-year

Group Total Expenses

- ✓ On a like-for-like² basis, total expenses increased 3% year-on-year

Group NPAT³

- ✓ Adjusted⁴ NPAT increased 2% year-on-year

Note: All figures in \$ millions unless otherwise stated and may be subject to rounding

¹ Treasury income on cash and non-cash collateral balances including associated currency hedging impact

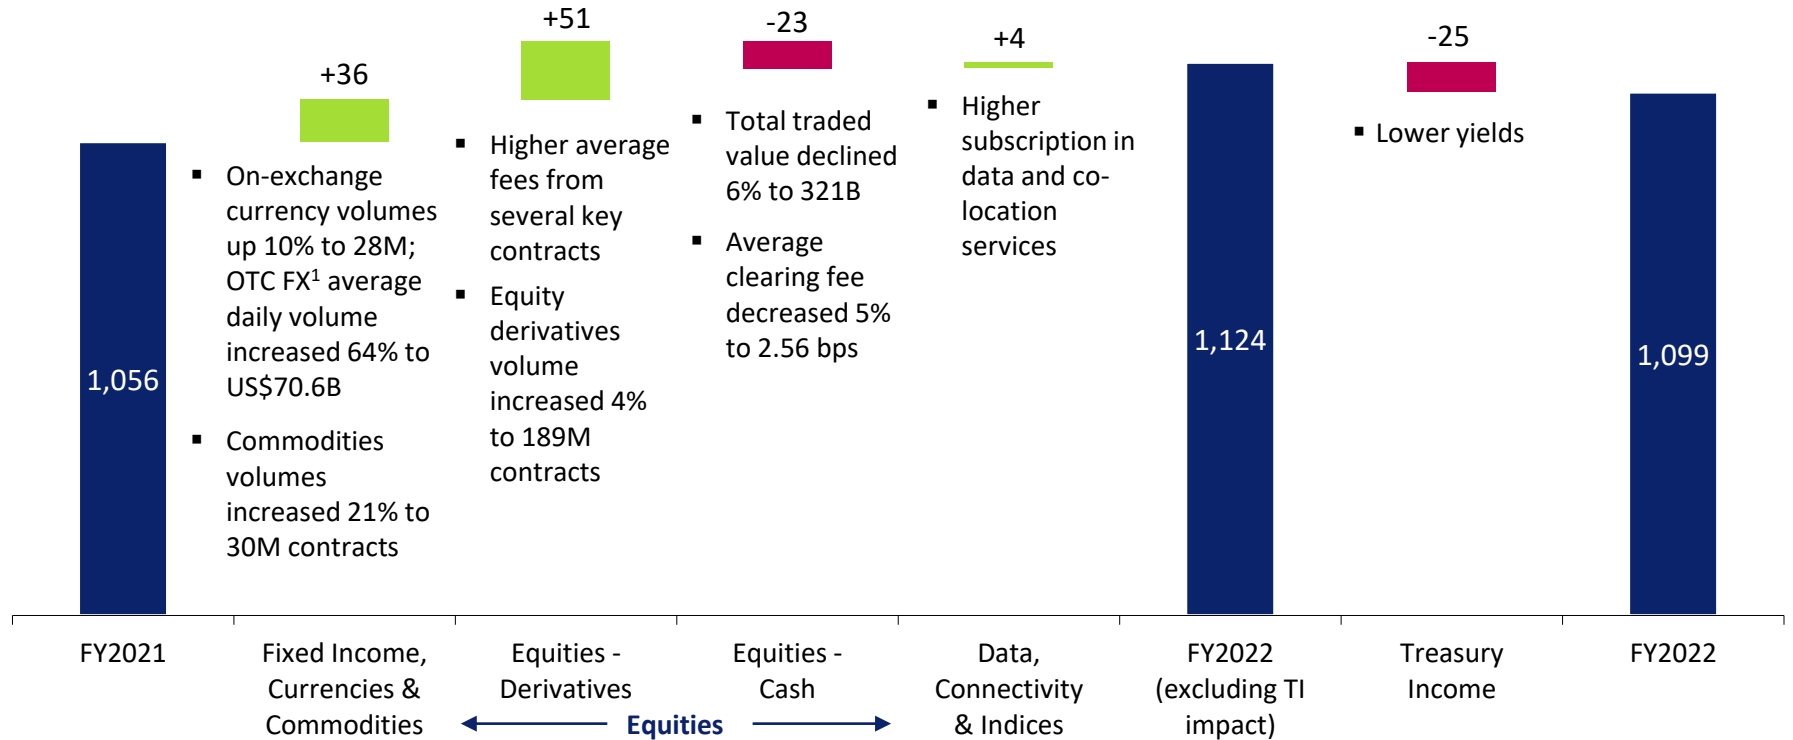

² Like-for-like basis excludes FY2022 expenses from MaxxTrader and FY2021 credits from government job support scheme

³ NPAT relates to 'Net profit attributable to equity holders of the Company'

⁴ Adjusted NPAT excludes certain non-cash and non-recurring items that have less bearing on SGX's operating performance. Hence, they better reflect the group's underlying performance. Adjusted figures are non-SFRS(I) measures. Please refer to Section 8 of our financial results for reconciliations between the adjusted and their equivalent measures

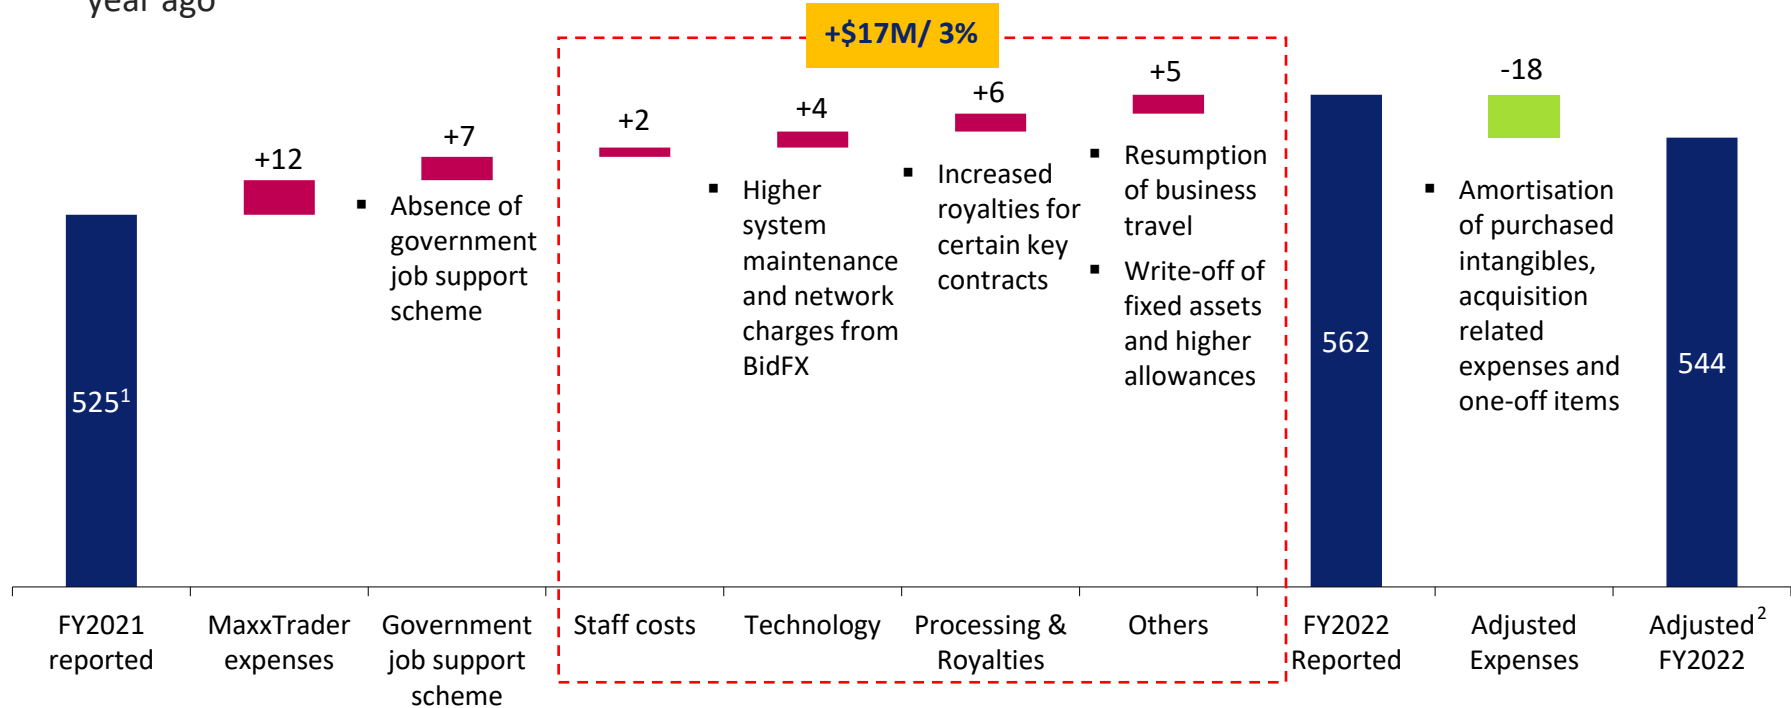

FY2022 Revenue up 4% to \$1,099M

- FICC revenue grew 19%; excluding newly-acquired MaxxTrader (MT), FICC revenue up 14%
- Average fee per contract for Equity, Currency and Commodity derivatives increased 13% from \$1.34 to \$1.51

FY2022 Total Expenses up 7% to \$562M

- Total expenses increased \$17M or 3% , excluding MaxxTrader and one-off government job support scheme a year ago

Note: All figures in \$ millions unless otherwise stated and may be subject to rounding

¹ Adjusted FY2021 expenses was \$514M

² Adjusted figures presented are non-SFRS(I) measures. Please refer to Section 8 of our financial results for reconciliations between the adjusted and their equivalent measure. Adjustments exclude amortisation of purchased intangibles, acquisition related expenses and other one-off costs

FY2022 EBITDA margins lower to 58%

- Core margins expect to improve, partially driven by a recovery in treasury income
- EBITDA margin for subsidiaries, on a like-for-like basis¹, comparable at 37%

Note: All figures in \$ millions unless otherwise stated and may be subject to rounding

¹ Like-for-like basis includes standalone SB and BidFX only with no intercompany elimination and exclude one-off acquisition related expenses

² Core comprise SGX, EMC and BEL; Core excludes stamp duty, break fund costs and certain acquisition related costs

³ Treasury income on cash and non-cash collateral balances including associated currency hedging impact

Strong balance sheet with healthy coverage ratios

- Healthy leverage ratio – Gross Debt to EBITDA ratio at 1.2x
 - Higher gross debt mainly due to the issuance of a US\$250M medium term note in September 2021
- Locked in low interest rates in a rising rate environment

Note: All figures may be subject to rounding

¹ Gross debt include both borrowings and lease liabilities

² EBITDA net of rental expenses; Interest includes both cash and non-cash expenses

Delivering shareholder returns

- Proposed final quarterly dividend¹ of 8.0 cents per share, bringing total dividend for FY2022 to 32.0 cents
- Operating cash flow and adjusted earnings able to cover dividends

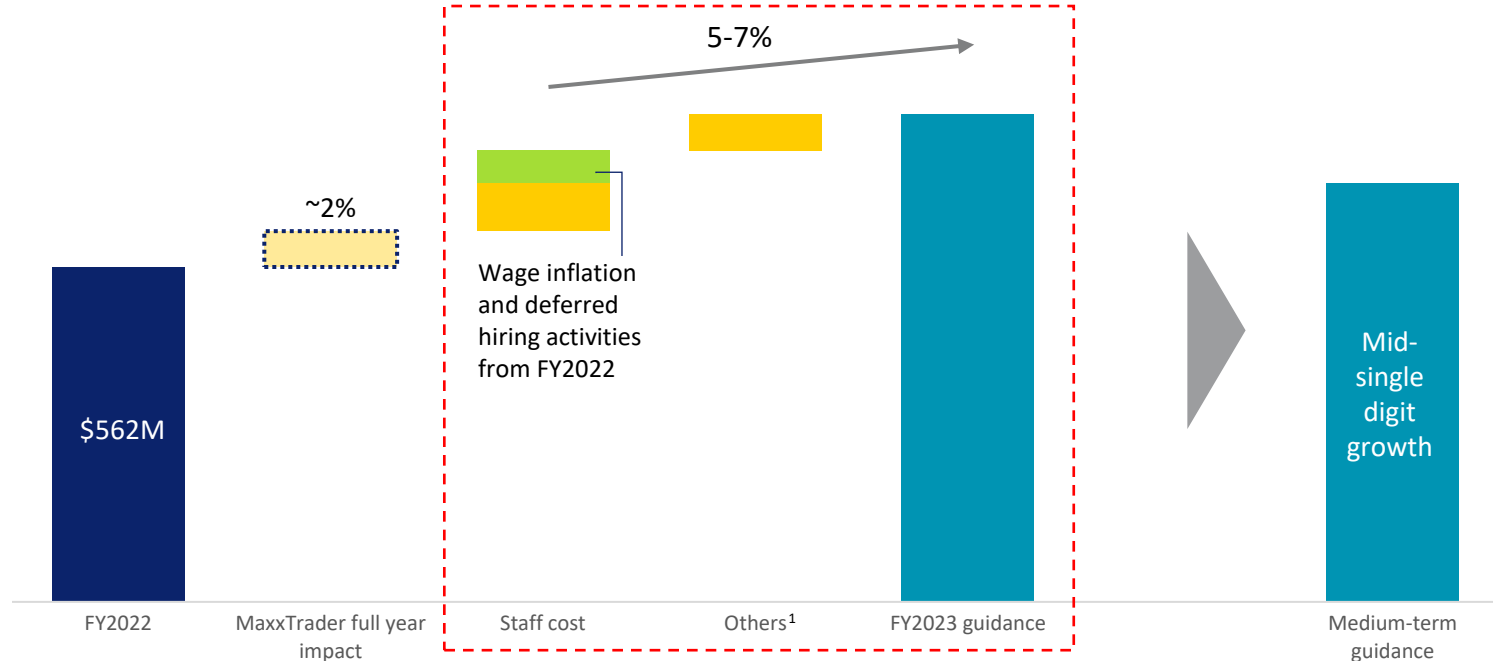

Note: All figures may be subject to rounding

¹ Subject to shareholders' approval at the forthcoming AGM on 6 October 2022

² Adjusted figures presented are non-SFRS(I) measures. Please refer to Section 8 of our financial results for reconciliations between the adjusted and their equivalent measures

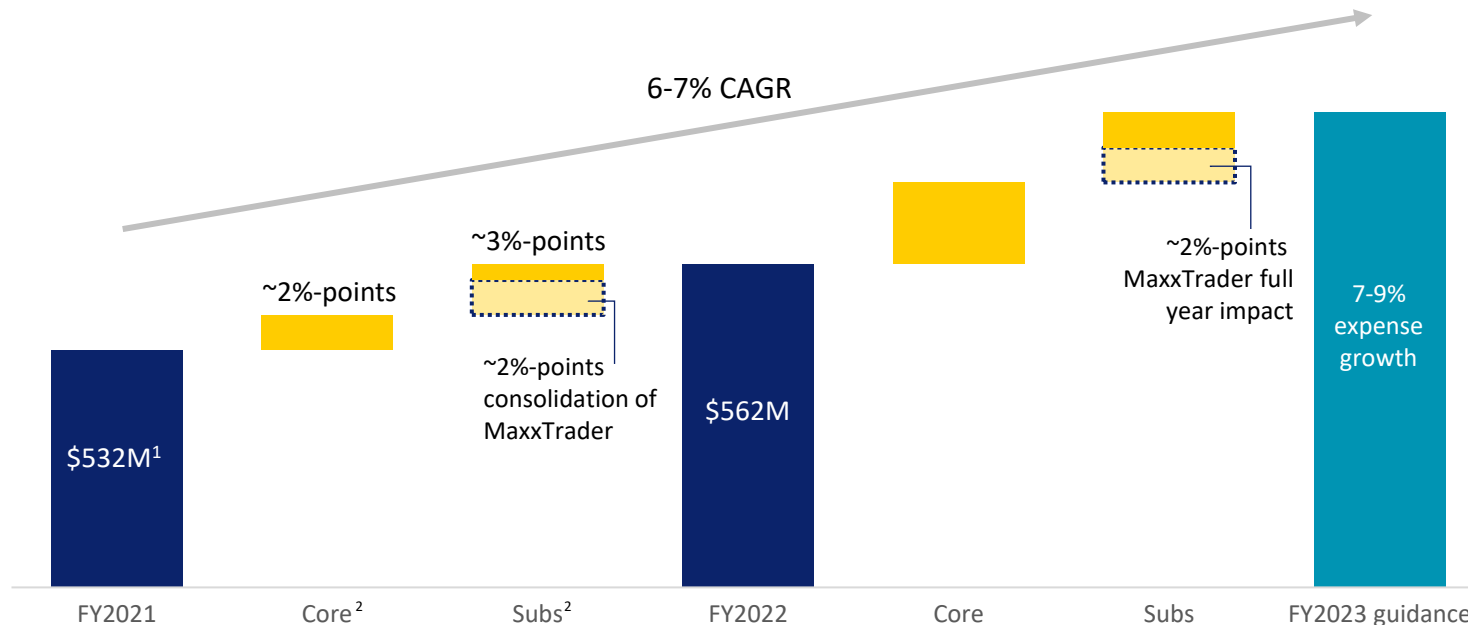

FY2023 Total Expenses expected to grow 7-9%

- Excluding MaxxTrader full year impact, FY2023 total expenses are expected to grow 5-7%
- Higher expenses from buildout of OTC FX business and higher staff costs from salary increments
- Medium-term expense guidance remains at mid-single-digit percentage growth range

Average annual expense¹ expected to grow 6-7% over FY21-23

- Excluding MaxxTrader, average annual expense growth will be 4-5%
- MaxxTrader is expected to contribute 2%-points

Note: All figures in \$ millions unless otherwise stated and may be subject to rounding

¹ Excludes impact from one-off government support scheme in FY2021

² Core comprise SGX, EMC and BEL; Subsidiaries (Subs) comprise SB and OTC FX (BidFX, MT, ECN)

FY2023 capex is expected to be \$70-75M

- Investments in our FX franchise, enhancements to our platform and system architecture, improvements to office premise efficiency

Note: All figures in \$ millions unless otherwise stated and may be subject to rounding

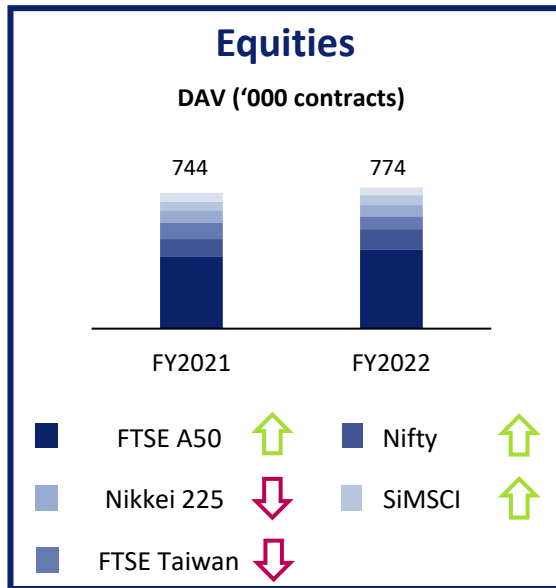

■ Capex ● % Capex to Revenue

Business Update

Loh Boon Chye, Chief Executive Officer

We are the leading venue of choice for global participants to navigate uncertainties and access Asian opportunities

- SGX Group's multi-asset platform offers global participants open and neutral access to manage portfolio risks amidst fluctuating economic and geopolitical scenarios.
- DAV was up 6% to 1.01 million contracts with growth across all asset classes – equities, FX and commodities.

We will capitalise on our global strengths to scale further

- We are recognised as the global price discovery centre for key commodities powering Asia's growth.
- Our equity derivatives product suite covers almost 100% of Asia's GDP and our Asian FX futures platform, which is the largest globally, facilitates currency risk management and exposure.
